New in 4 positions adjustable support system
electric guitars
cork
1.32 kg
from 185 to 230 mm

This proven E-Guitar Stand was revised and features a new adjustable support system. Instruments of different sizes can be placed in the 4 adjustable positions. The robust metal construction and its stability and durability will not only be appreciated by the "Heavy Metal" fraction. For storage and transport the stand folds flat. The rubberized support arms provide the guitar with sound and stable footing and protect the guitar finish. And as expected, this popular stand is available in a range of colors.
